

Central Florida Corvette Association

2646 Tierra Circle
Winter Park, Florida 32792-2209
United States

The Central Florida Corvette Association (CFCA) was incorporated in 1973. We are proudly affiliated with the National Council of Corvette Clubs (NCCC) and are one of the largest and oldest NCCC sanctioned clubs in the Florida Region. We are located in the greater Orlando area but have members throughout Central Florida. We'd love to have you join us, but if you are specifically looking for a club outside the Central Florida/Orlando area, visit our Links page, the NCCC Florida Region web site, or the primary NCCC web site. In any event, we encourage you to join an NCCC club to help you get even more enjoyment from your Corvette ownership! Through an elected Board of Directors we actively support the National Corvette Museum through membership drives and contributions. Through various fund raising activities we support those less fortunate and have adopted The Russell Home for Atypical Children in Orlando as our primary local charity.

Meeting Information: You are cordially invited to join the Central Florida Corvette Association. Our regular meetings are usually held on the first and third Thursday of each month at 7:00p.m. at Carl Black Chevrolet at 11500 East Colonial Drive, Orlando, FL 32817, except for the last meeting each quarter (March, June, September, December) when we meet at various Orlando area restaurants.
