

Anchorage Corvette Association

P.O. Box 211802
Anchorage, Alaska 99521-1802
United States

The Anchorage Corvette Club began in 1969, when there were more dirt roads than paved. But, the passion for the Vett took them to the streets anyway. These gatherings became a habit, and thus the founding of the Anchorage Corvette Club. In the beginning there were 13 members (all men). Then in 1971 the club incorporated as the Anchorage Corvette Association, Inc. Since that time we have grown to over 50 members, (men, women and families) and counting. And, in 2004 we are celebrating our 35th anniversary. We are a "low maintenance, no pressure" group whose aim is to enjoy our cars and provide opportunities for the members to get together socially with the Corvette as a common purpose and interest. The club holds a monthly meeting and get-together the third Wednesday of each month. Club functions include road trips, Corvette shows, picnics, parties, road rallies and other family-oriented activities as-well-as participation with other car clubs in the area. If you are interested in membership, please attend an event or club meeting.
