

# North Central Corvette Club of PA

---

43 South Third St.  
Hughesville, Pennsylvania 17737  
United States

The North Central Corvette Club participates in many local activities such as parades, short Sunday drives, all-day drives to interesting places in Pennsylvania and New York, a club picnic, car shows, and many other functions. OUR MISSION STATEMENT: To promote - Corvette - America's Only True Sports Car. Also to exchange technical information about a very complex automobile that gives great pleasure to all who are affiliated with Corvette. Some of our club photos have been published in Corvette Fever and Vette magazines in the past few years. Also, individual members have been featured in Corvette Fever magazine. Members have won numerous awards at local car shows, and one member won at Corvettes at Carlisle. The Club has purchased a brick at the National Corvette Museum. Several club members are Founding Members of the National Corvette Museum and others just retain regular membership. We also donate to numerous charities in the area by making it a point to attend all charitable events.

Meeting Information: Regular meetings are held the second Sunday of each month. At the meetings our newsletter, which is filled with Corvette tips and facts, is distributed. So if you are looking for great Corvette info and people who enjoy America's REAL sports car and like to show it off, check out this club!
