

High Desert Corvette Club

PO BOX 6442
Bend, Oregon 97708
United States

High Desert Corvette Club was founded in June of 1991, as a social club where fellow Corvette owners can gather together to share friendship and the love of corvettes. Our sharing is centered around monthly business meetings, and a social evening "Jacket Night" the last Wednesday of each month. All members are encouraged to participate in both. Business meetings and Jacket Night are generally held in the Bend or Redmond area with an occasional meeting in Sisters. In the summer months Jacket Nights may be scheduled for locations further away giving us all another reason to drive your Corvettes. In addition to the business meeting and jacket night there are many other fun events in which to take part, especially throughout the spring and summer months.

Meeting Information: Our business meetings are held on the second Tuesday of each month. Currently all business meeting are held at The View Restaurant in Redmond, OR., , Dinner @ 6:00 PM, Meeting @ 7:00 PM, , The View at Juniper Golf, 1938 SW Elkhorn Ave., Redmond, OR 97756, 541-923-8198
