---

1803 W Winona Rd.  
Alexandria, Minnesota 56308  
United States

Vikingland Corvette Club was founded in 2011 by two Corvette owners from Alexandria, MN. The primary purpose of the club is to bring Corvette owners together to promote and share the common interest and pleasure in the owning and driving of such automobiles. We plan to be about more than Corvettes, though. We intend on being involved in some local parades and hosting our own car show at some point with the intent of inviting other Corvette Clubs around the state to join us. Volunteer opportunities and charity events will be planned around the area.

Meeting Information: Visitors are invited to our weekly meetings on each Sunday from May through September at Alexandria Clinic. We go for an hour drive on country roads before arriving at our dinner destination for some socializing. Meet at 4:45, drive starts promptly at 5:00 PM., The first Sunday of each month we welcome all classic and muscle cars to join us for our drive and dinner!
