

# All American Corvette Club

---

P.O. Box 8063  
Paramus, New Jersey 07653  
United States

We welcome and encourage every member's participation in all of our activities and look forward to having you become part of our All American Corvette Club family! Join Us and Have More Fun With Your Corvette! Who We Are....  
The All American Corvette Club (AACC) was founded in 2000 and is based in Bergen County, New Jersey. AACC has a membership of more than 35 men and women of all ages and from all walks of life from the North Jersey metropolitan area. We are passionate about and share a common love for America's Best and Only True Sports Car: the Chevrolet Corvette.

## What We Do....

Our club organizes and participates in several activities, including shows, fun runs, cruise nights, car-related seminars and even non-Corvette related social events! AACC also helps support our communities by contributing to local charitable causes and attending community-sponsored events.

Several of our members are well-versed in the Corvette heritage and have extensive technical knowledge of the various Corvette styles and configurations from 1953 to the present. AACC holds a fully-judged all-Corvette show each year and we are proud of what we consider to be one of the most competitive and best-judged Corvette shows in the state of New Jersey.

Meeting Information: AACC meets on the second Tuesday of every month at 7:30 pm at Panera Bread in the Kohl's shopping center on Route 4 West in Paramus, NJ. In addition to planning and discussing the various activities in which AACC participates, some of our meetings also feature guest speakers, product demonstrations and other topics of interest for any car or Corvette lover. Please join us for a meal or a snack and learn what it's like to have more fun with your Corvette!
