Morris Plains, New Jersey  
United States

HistoryThe Natural Glass Corvette Association (NGCA) celebrated its 40th anniversary in 2013. What started out as a small group of Corvette enthusiasts in 1971 in the Morris County area quickly grew into an organized club that became incorporated in the State of New Jersey in May of 1973. We now have members from all over Northern New Jersey and as far away as Louisiana, Arizona, New York, Pennsylvania and Florida. The NGCA is a Lifetime Member of the National Corvette Museum. In addition, many club members have individual memberships in the Museum. Of all the Caravans in the nation heading to the National Corvette Museum in 1999 and 2003, two originated in New Jersey and our club led them. We also participated in the 2009 Caravan.

Who we areThe NGCA is a social club whose common thread is an interest and enjoyment of America's Sports Car, the Chevrolet Corvette. Whether you currently own a Corvette or just interested in the Corvette hobby, you're welcome as a member. The membership currently stands at over 110 households and own over 150 Corvettes from each generation in conditions that range from Bloomington Gold and NCRS Top-Flight to project cars. Our Corvettes include big blocks, small blocks, rare Malcolm Konner Editions, Z06s, Grand Sports and ZR1's. A number of our cars have appeared in or been featured in various Corvette magazines.

What we doEach year we conduct a charity car show "Wheels in Motion" to raise money for a variety of charities. We have been running this event for over 40 years and have a large following of show participants. Some of the past charities we have contributed to include The Children's Specialized Hospital, The Seeing Eye foundation, Wounded Warrior Project, National Multiple Sclerosis, American Diabetes Association, Marine Corps League, Veterans of Foreign War (VFW), The Seeing Eye, Help Hope Live and National Corvette Museum. We also enjoy Corvettes at Carlisle, attend lots of cruise nights, conduct overnight trips and go on as many fun runs as good weather allows. During the winter months, we maintain interest in the club by arranging monthly social dinners at various

restaurants where we gather for an evening of food and fun. One of our popular summertime group activities is a good old fashioned picnic.
