Corvettes of Peterborough (COP) was founded in 2005 and is made up of a group of Corvette owners from the surrounding area, and afar. COP's mission is to live, enjoy and promote the Corvette experience through the interaction, and participation in events of like-minded Corvette owners within a club setting. This Corvette network of friends share technical knowledge and ideas for Corvette enthusiasts, offers an opportunity to meet others for Corvette cruising & socializing, plus an opportunity to participate in competitive QUAD C events (Canadian Council of Corvettes Clubs). COP are committed to supporting local charities in a variety of avenues, i.e. raising money for local charities, Christmas toys for children, and more. COP appreciate and value the support of our Sponsors. We value their connection commitment to support Corvettes of Peterborough as we support them. New to the area? Please contact us at 705-657-9037

Meeting Information: Meetings are held the last Tuesday of each month at Ricky's All Day Grill, 898 Monaghan Road, Peterborough.
