The Eastern Carolina Corvette Club (ECCC) was formed in 1995 as a regional club to serve Eastern NC. The ECCC is one of the most continuously active clubs in our region. We are pleased to have The National Council of Corvette Clubs (NCCC) sanction our club. Annual functions hosted by the ECCC are shows, cruise-ins, parades, cruises, and trips to Carlisle, PA. Proceeds from ECCC events supports several local charities. The Eastern Carolina Corvette Club is an association of Corvette owners established to provide people of similar interests a place to gather and to serve the community and the citizens of Eastern North Carolina. Our club promotes the enjoyment of Corvette ownership.
