

Fox Valley Corvette Club

c/o Batavia Park District
327 W Wilson St.
Batavia, Illinois 60510
United States

Fox Valley Corvette Club was founded in 1973 by 6 Corvette enthusiasts located in Aurora, Illinois. While the Club has grown to over two hundred memberships, we remain true to our roots by being a very family oriented Club. Each Membership represents a family membership, whether one or ten individuals. We currently have something in excess of 250 Corvettes represented by our members. The Club is independent of National Organizations, keeping our dues low. We are self-funding and generate revenue through dues and payment for participation in car shows, exhibitions, and parades. Our Board of Directors is voted in annually. We hold monthly meetings and generally have at least one activity each month.

Corvettes in our Club vary throughout the spectrum in shape, color, and performance. We have every day drivers and Triple Crown winners, Drag racers and Road racers, and most every year of Corvette production is represented. Come by for a visit at any of our meetings or events.

Meeting Information: Third Tuesday of every month (except December, no meeting), starting at 7:30 PM. Meetings are held at the St Charles Moose Lodge #1368, 2250 West Rt 38, St. Charles, IL. (about 1/8 mi west of Randall Rd on the North side of Rt 38)
