

# Bay Valley Corvette Club

---

P.O. Box 433  
Bay City, Michigan 48706-0433  
United States

Bay Valley Corvette Club (BVCC) of Michigan is a group of people whose enthusiasm for their Corvettes brought them together as a club in 1968. The club started with 5 members and has grown to over 160 members who own and drive all years and models of Corvettes. Our current members are based in the Bay City, Midland and Saginaw area with other members as far south as Hartland, as far north as Houghton Lake, to the east as far as Toronto, Ontario and as far west as Big Rapids. The club is involved in many activities. Check out the events calendar to see the types of activities we are involved in. Club members enjoy traveling together for car shows and road trips throughout Michigan and beyond. In fact, BVCC participates in Corvette events throughout the United States and Canada. BVCC also dedicates time and resources to fund raising to help various local non-profit organizations, serving Bay City, Midland and Saginaw. For more information about this, see our Community Involvement page!

Meeting Information: The Bay Valley Corvette Club meets for an hour (give or take) starting at 7PM on the second Monday of each month. We meet at the UAW Hall at 4427 E. Wilder Road, Bay City, Michigan.
