

Bowling Green Assembly Corvette Club

P.O. Box 51063
Bowling Green, Kentucky 42102
United States

The Official Corvette Club founded by the employees of the Corvette Assembly Plant in Bowling Green, Kentucky. The Bowling Green Assembly Corvette Club is not limited to just Corvette Plant employees. Any GM employee can join the club and anyone who owns a Corvette can join with an Honorary Membership. We participate in events throughout the year that celebrate Corvette and those in which we can share good times with our Corvette family.

A main focus for the club each year is our charity car and bike show, "Vettes, Pets and Families". The proceeds of this show benefit our two chosen charities, The Bowling Green Warren County Humane Society and The Salvation Army Food Bank. We invite you to take your time and check out our website and contact us if you have any questions. We would love to have you as a member!

Our Mission Statement To give the Bowling Green Assembly Plant employees and other friends of the car an opportunity to demonstrate their loyalty to the Corvette Product and promote camaraderie and enthusiasm and share this with all owners and admirers of Corvettes. To represent the Bowling Green Assembly Plant as an active and responsible contributor to our community.
