Cornhusker Corvette Club (CCC) is a not-for profit Nebraska Corporation organized in 1960 for the purpose of safely promoting sporting and social activities centered around the common ownership of the Chevrolet Corvette. The Cornhusker Corvette Club (CCC) was founded in 1960, which makes us the oldest corvette club in our region. When you join CCC, you also join the National Club, NCCC, which currently has over 18,000 members.

Our club offers a wide array of fun for the corvette owner and enthusiast! Those include social activities, auto-cross, drivers education, rallies, drag races, tours, car shows, parades and more.

We have several late and early model "experts" in our club who are always delighted to help other members with their "projects". Attendance at our monthly meetings usually exceeds 80 people, which affords you an opportunity not only to socialize, but to share tech tips as well.

We enjoy at least one social each month. Our 385+ plus members cover the gamut in age, hobbies, and professions, and they are all eager to meet YOU! Gals enjoy CCC also, and in many cases, finish higher in the standings than their spouses.

Membership wise, we are the largest NCCC club in the region, and we have been THE LARGEST NCCC CLUB IN THE NATION several years! If you are competitive, we are also the club for you. CCC has been #1 in the West region for 19 of the last 20 years. WE EARNED THE #1 CLUB IN THE NATION TITLE IN 2016, 2015, 2014, 2013, 2012, 2011, 2009, 2008, 1999, 1989 & 1978!!!

Our 3 time Award winning, monthly newsletter, Husker News 'N Views, contains tech tips, Corvette inspired stories, and numerous pictures of current events.

Members eagerly await its arrival each month!
