

Wichita County Corvette Association

PO Box 862
Wichita Falls, Texas 76307
United States

The Wichita County Corvette Association (WCCA) is a family oriented organization that provides its members fun, fellowship, and the opportunity to serve others since it was founded in 1978. Our members are Corvette enthusiasts located in and around the Wichita Falls area of North Texas. Like the Corvettes we drive, WCCA members, regardless of our build date, are all young at heart. The Wichita County Corvette Association has since become one of the most recognized automobile clubs in the North Texas area. The activities of the club promote safe and courteous driving, are family-oriented and above all –FUN! We are sponsored by well-known and respected businesses and are “Texas Proud” to be associated with them. We take pride in our cars and our community as demonstrated by our many local events. The North Texas Corvette Roundup has become one of the leading Corvette events in the southwest United States and keeps growing each year. The future looks promising for the continued growth of our organization and we remain committed to preserving and showing the only American-made sports car that stands alone at the top “CORVETTE”.

Meeting Information: Every first Thursday of each month, the WCCA meets at Jason’s Deli located at 2907 Garnett Avenue in the Parker Square Shopping Center in Wichita Falls, Texas. Dining at 6:00 pm and the meeting will start at 7:00 pm.
