

Simi Valley Corvettes

P.O. Box 940783
Simi Valley, California 93094
United States

Simi Valley Corvettes was formed on July 31, 1984. Our mission is to stimulate and promote, through group social and recreational activities, interest and pleasure, in the owning and driving of the Chevrolet Corvette. The Simi Valley Corvette Club, currently with over 150 members, is more than just two meetings a month. It's about making friends, getting together with these friends and taking AMERICA'S TRUE SPORTSCAR out on the road, for a "run". As you can see from our Members' Page, all generations of Corvettes are represented. Our runs can vary from a two-week trip up Route 1, then on to Victoria, Canada - to a long weekend up in Northern California, Nevada, or Arizona - to just getting together and going for a drive and a grabbing a bite to eat." We attend car shows and we go to many different one day events and always see new and interesting things. There is almost always something going on every week. Upcoming runs include Whistler, Canada in August, as well as Death Valley in late April.

Meeting Information: We have two monthly meetings, which are held on the 1st and 3rd Tuesday of each month, at the Simi Valley Senior Center in Conference Rooms 106 & 107. We start at 7:30PM and we are usually done in about an hour. Doors are open at 7:00., , Location: 3900 Avenida Simi, Simi Valley, CA, , The Simi Valley Senior Citizens Center is conveniently located near City Hall and the Simi Valley Library. It is one block north of Alamo Street, just west of Tapo Canyon Road. There is plenty of parking available at the front and west sides of the building.
