

Lawrence Corvette Club

Lawrence, Kansas
United States

Phone: 785-271-8117

History: Marcie and Dave Engstroms took out a classified ad in the Lawrence Journal World in February of 2003 looking for anyone interested in starting a corvette club in Lawrence, Kansas. That was the start of the "Lawrence Corvette Club". Our first official meeting was in March, 2003. Officers were elected and we were off and running! Crown Chevrolet is our sponsor and provides us with support and a place to meet. What we do: We meet and we eat. We drive and we eat. We decided to be a social club where people can discuss our cars, how to fix our cars, the weather, their kids, anything of interest. We all have a connection through our Corvettes. We travel to Corvette functions from Michigan to Illinois to Colorado to Arkansas to Kansas City and many other places. We have monthly Drive 'n Eats, that are fun short -trip events. The only prerequisite is you own a Corvette and fill out an application to join. You may visit anytime. We invite any Corvette owners interested to come to a meeting!

Meeting Information: Meetings Are The 3rd Thursday Of Each Month At Crown Chevrolet/Toyota @ 7pm.
