The Bel Air Corvette Club (BACC), Inc. was founded in 1973. The Club is comprised of individuals; both male and female, young and old, that have a common interest --- the Chevrolet Corvette. Through the BACC, technical and practical information for Corvette owners and enthusiasts are gained. Events are conducted for showing your Corvette, for safely enjoying the performance of your Corvette and for demonstrating your driving skill. With about 200 members, BACC is an active member of the National Council of Corvette Clubs, Inc. (NCCC) and is among the top twenty largest clubs within NCCC. Although we are large, individuals are important to us. We actively work to integrate new members into our club. BACC has been the top competitive club in the East Region of NCCC for the last five consecutive years due to the competitive spirit of BACC members and members are strongly encouraged to participate in regional competitive events!
