

Corvette Club of Ontario

15 Spar Drive
Brampton, Ontario L6S 6E1
Canada

The Corvette Club of Ontario is Canada's first Corvette Club, formed in 1962. CCO organizes, participates in and supports many diverse Corvette-related events so you are bound to find something that you will enjoy! Take a look at our Gallery and Calendar sections to see how much fun we have. In the winter, we park the cars and pursue indoor socials. In the summer, we have plenty to do whether your taste runs to shows, cruises or races. CCO Membership includes our 'Touch of Thunder' newsletter full of articles, tech tips, pictures of events, and much more. Your membership also gives you a discount at some of our sponsors. You can attend all club events; some are inclusive while others have a small additional price to offset the cost. Meetings are held the first Wednesday of each month, check the calendar for the location. In the winter we often have guest speakers. In the summer, a short cruise to the local eatery is sometimes arranged. We look forward to seeing you out soon at a meeting or event!
