

Lebanon Area Corvette Club

Palmyra, Pennsylvania 17078
United States

The Lebanon Area Corvette Club Inc. is a non-profit/non-sanctioned club sponsored by Klick Lewis Chevrolet in Palmyra, PA. Our members restore, drive and show their vehicles so they might have the opportunity to share their love for Corvettes with others. The club consists of members from Lebanon County and many surrounding communities. The club has strong community involvement participating in parades, cruises and shows all in an effort to support the community and fund raisers. Each year the club selects recipients for show profits. In 2017 we will be proud to send the show profits to the Ronald McDonald House Charities of Central PA and the Humane Society of Lebanon County.
