

Circle City Corvette Club

Indianapolis, Indiana
United States

In September 1977 a group of 10 Corvette owners met at a local restaurant and a club was born. The club started out as the W.I.F.E. Corvette Club, which were the call letters of one of the local radio sponsors. The club met at Circle Chevrolet and at WIFE until they ceased existence. In 1985 the club's name was changed to Circle City Corvette Club after a merge with another local club. The club joined the National Council of Corvette Clubs (Nccc) which is a national organization of member clubs. Nccc clubs hold a variety of competitive events for members. There are speed events (low and high speed), fun rallies, gimmick rallies, drag races. Nccc also provides third party insurance coverage for meetings, socials, caravans, car shows and competitive events. Each Spring our kick off event has been the overnight trip to the National Corvette Museum in Bowling Green, KY. During this trip members help the museum staff with projects that need attention. This helps the museum save on the expenses of operating the museum. Over the years our members have helped out by dusting the Corvettes on display, disassembled and reassembled lifts, did filing, cleaned windows, outside we have cleared brush from fence rows, planted flowers, spread mulch, cleared brush from fence rows and much more. After the work portion (approx. 4 hrs.) the members return to the museum for a catered dinner or cruise to a local restaurant. Since 2001 the club has held an All Corvette Show. The show started out on the south side of Indianapolis at a Sears Hardware Store. It is currently held on the north side of Indianapolis at Hamilton Town Center in Noblesville, IN. Each year the show draws 100+ Corvettes from around the state and beyond. Proceeds from this show are donated to the Simon Youth Foundation. The goal of the club has remained the same through the years; to further the interest in the Corvette, enjoy our cars, make friends and have fun. We invite you to come to one of our meetings and check us out.
