The York County Corvette Club (YCCC) was founded in 1968! The club is a member of the National Council of Corvette Clubs (NCCC). Our stated purpose is 1) to encourage ownership, operation and preservation of Corvettes; 2) to provide and regulate events and exhibitions for Corvettes and their owners; 3) to encourage careful driving on the highways; 4) to promote good fellowship and competition among members and the general public; and 5) among all else to have fun. The YCCC is a non-profit organization, raising funds through Corvette related activities in support of various charities. Our mission is to grow friendships and exhibit integrity among members utilizing the Corvette "signature of excellence" as our standard. We consider ourselves stewards of enthusiasm for the Corvette through participation in car shows, parades, road trips and track performance events. The Club also believes that we have the moral responsibility to reach out to local community organizations through donations that assist those in need.

Meeting Information: The club meets on the 2nd Wednesday of each month at 7 pm at the Great American Saloon in Red Lion, Pa. Come join us and see if you would like to become a member of our Corvette Club. Prospective members must attend 2 Club functions before they can be voted in as members.
