

Las Vegas Corvettes Association

P.O. Box 80831
Las Vegas, Nevada 89180-0831
United States

We are a group of Corvette owners dedicated to the heritage and enjoyment of Corvette...America's sports car. We are always happy to help new members get the most out of their Corvette through active involvement in the numerous aspects of Corvette ownership that we offer.

LVCA promotes all things Corvette, with events and activities for all Corvette enthusiasts. Just love to drive your Corvette? We regularly hit the road just to see cool stuff and enjoy each other's company. If competition fuels your fire, we do open road racing, autocross, drag racing, and other driving events in a fun and safe environment. Got a project, or like to build a better beast? We can provide you with advice on where to get service and parts that may save you time, money, frustration, and possibly even give you a hand at one of our frequent Garage Gang events. We also support many local charities with activities such as parades, toy drives, coat & blanket drives, events for veterans, suitcase drives and more. We are an active club, happy to have a go at nearly anything that we (or you) can think up to get us all together.

All club members receive a copy, via email the first week of each month, of our association's monthly publication... the "Newsvetter" promoting upcoming events, and containing articles and photos of the fun we've had on recent events. Our website allows instant access to detailed information about the LVCA as well as upcoming and past events. Our members' only Facebook page allows members to reach out to the group in a casual, spontaneous online setting.

All Corvette owners are welcome to visit and attend our General Membership Meetings. Let the LVCA enhance your Corvette experience!

Meeting Information: General Membership Meetings, , When: , , Second Thursday of each month at 7:30 PM, , Where: , , Sun City MacDonald Ranch Clubhouse, 2020 W
