

Mississippi Corvette Club

PO Box 2703
Jackson, Mississippi 39207
United States

Centrally located in the Metro-Jackson area since its establishment in 1993, the Mississippi Corvette Club continues to be one of the States' finest automobile clubs with over 100 members enrolled. The Clubs' function is to provide a social environment for Corvette owners/enthusiasts to participate in Corvette related activities such as, but not limited to, road rallies, holiday parties, car shows, restaurant outings, cookouts, road trips, parades, and civic, as well as, charitable events. As a featured caravan event, the Club sponsored semi-annual "Poker Run" is not only adventuresome and entertaining, but is the Club's primary means of raising funds for charity. The members and officers of the Mississippi Corvette Club extend a warm invitation to you, our fellow Corvette owners/enthusiasts, to join us on this exciting and interesting road to friendship and "all things Corvette"! The Mississippi Corvette Club is a proud member of the National Corvette Museum in Bowling Green, KY.
