

# Corvette Club of Nova Scotia

---

Nova Scotia  
Canada

The Corvette Club of Nova Scotia (CCNS) currently has over 100 members (including 120+ Corvettes) from around the province. Check this website frequently for updated club and event information. Guests are always welcome to attend our events! On our website you can find details about the cruises and events we participate in, information on becoming a member, pictures of member's Corvettes, our sponsors, monthly newsletters (CCNS members only), as well as other Corvette related news and links. The CCNS was formed in 1974. We are the only Corvette Club in Nova Scotia and are closely associated with the Greater Moncton Corvette Club, River Valley Vettes (Fredericton), Corvettes of Southern New Brunswick (Saint John), Loyalist City Corvettes (Saint John), and the Prince Edward Island Corvette Club. We're more of a social club than into restoration, but are always willing to help other Corvette owners with problems or finding help. We have had Corvette owners from other parts of Canada and the United States contact us as they planned to visit Nova Scotia. We have planned get togethers with them during their visit. We welcome the chance to do so again if you are vacationing this way. Members of our club usually attend the Corvettes at Carlisle event in August.
