Join a club that connects the past, present and future of our beloved Corvettes. Founded in 2001 the Southern Maryland Corvette Club, like many others, was formed by a small group of Corvette enthusiasts who wished to share their common interest - mostly cars and food. Our mission is to provide a venue for members to make new friends, exchange ideas and have some fun. In general we strive to enhance the Corvette ownership experience.

Meeting Information: Southern Maryland Corvette Club meets the second Monday of March, June, September and December at 6 p.m. For more information, contact Bobby Padgett at rebob608@verizon.net.
