

# Tacoma Corvette Club

---

P. O. BOX 91  
Auburn, Washington 98071-0091  
United States

The club was founded in February, 1985 and while the club name says Tacoma, our current membership extends much further than the parameters of the Tacoma area. We have an enthusiastic membership with a wide variety of interests allowing us to present a range of activities to suit individuals and families alike. Activities include casual day trips (there is nothing like seeing a group of your fellow members in their Corvettes traveling together down the highway), weekend road trips, show-n-shine events, racing and rallies, autocross, and local events hosted by our sponsors. Also, we support events hosted by other Corvette clubs; but some of our favorite events are our own traditional, annual events such as the club Christmas party, and of course our annual club fundraiser weekend event "The Shadow of the Mountain" held in July in Leavenworth, WA. The "Shadow of the Mountain" event begins with a pre-registration and hospitality room (drinks and light food) on Friday night. Saturday is the Show-n-Shine with the day ending at the banquet, trophy presentation and fundraiser auction. Sunday is a short road trip. Usually by 3:00 PM you are on your way back home. It is a great weekend of fun. Our group continues to be dynamic because of our great membership. Members, new and old, have a wealth of knowledge to share, great ideas and enjoy working together in planning and attending these events. With this great mix between our membership and activities, we continue to grow while maintaining our club's core values (integrity, teamwork and having fun). We hope you will consider joining The Tacoma Covette Club.
