The Suncoast Corvette Association is located in Largo, Florida. Most of our activities take place on a Saturday or Sunday. Occasionally we leave on a Friday afternoon, if it's a special event. The third Wednesday of the month we get together at a local restaurant at 7 PM, just to hang out and get to know our members a little better. The Calendar of Events page shows you the locations for our Dine Out Nights. We have a great time socializing. We'll do progressive dinners, where we drive to different members houses for each part of the meal, salad at one house, entree at the next, etc. We take mystery rides that try to enhance the Corvette driving experience. At the end of the ride we go to a restaurant where we have a good time socializing with each other. Once in a while we take overnight trips to any place that looks like it might be fun. We attend local car shows. Sometimes they are sponsored by us, but more often they are put on by another club. We wash and polish our cars and enjoy hanging around with other Corvette people. It's fun to see some of the older Vettes at these shows and we always finish up the day at a local restaurant. Our annual picnic is very popular and a great time had by all. At least once a year we parade our cars around a local High School football field for their Homecoming Queen celebration. We eat lots of fun foods those nights! We sometimes schedule trips to the Corvette Museum and the Corvette Factory Tour in Bowling Green, Kentucky. You should go on one of these if you've never made the pilgrimage to the National Museum. At the end of the year we have a Christmas Party. No one misses this one! Everybody shows up! We also really enjoy participating in various charity events throughout the year, and make charitable donations whenever possible.
