The STL Night Riders Corvette Club is based in St. Louis, Missouri. Our club was established in January 2006. The STL Night Riders Corvette Club was formed by four determined, dedicated and devoted individuals; Yvonne Bonner, Don Ballard, Don Ross and Les Huntspon. The STL Night Riders Corvette Club is a non-profit organization that is comprised of many members throughout the areas in St. Louis, Missouri. We were also a member of the International Council of Corvette Clubs (ICCC). The STL Night Riders Corvette Club provides a social environment for corvette owners to share their enthusiasts for corvettes, networking and meeting new people, and most importantly, to have a fabulous time. The club members are very active during the season attending many car shows, cruises, parades, picnics, charities, parties, and other various social activities. The STL Night Riders Corvette Club have participated in many events such as the Annie Malone Parade, Gateway Classic Parade, PineLawn Parade, Harris-Stowe State University Homecoming Parade, Alton Parade, Sumner High School (Back-to-School Health Fair), Soldan Homecoming Parade, East St. Louis (Back-to-School Health Fair & Parade) and the Valley of Florrisant Parade. We participated in a video with Young Ro and the "Red Hot Boyz" (My Swag). The STL Night Riders Corvette Club also hosted multiple car cruises and car shows throughout the years. On August 28th, 2010, the STL Night Riders Corvette Club was the first and only corvette club that hosted an "All Corvette Show" at the Gateway Arch Riverfront Downtown-St. Louis.
