

Mid-Missouri Corvette Club

P.O. Box 7256
Columbia, Missouri 65205
United States

The Mid-Missouri Corvette Club was organized in 1994 by a dozen of corvette enthusiasts and owners. Since that time it has grown to over 100 members. Although the majority of members are from central Missouri, we do have several members that live in other states. It is genuinely the members that make our club so successful.

Meeting Information: Our regularly scheduled meetings are on the 3rd Sunday of each month around the noon hour.
