

# 1955 - 1958 Corvette: Service Bulletin: Skinner Oil Savers for 1958 and Older Model V-8 Engines

---

**Subject:** Skinner Oil Savers for 1958 and Older Model V-8 Engines

**Model and Year:** 1955 - 1958 Corvette

**Source:** Chevrolet Service Bulletin

**Bulletin No:** 46-20-59

**Zone:** No. 46 - Green Bay, Wis.

**Date:** June 25, 1959

We are attaching hereto a brochure and order blank for purchasing the Skinner Type Oil Seals which will fit 1955-1958 265" and 283" V-8 Engines. You may use the Order Blank on the attached form to obtain these seals for the correction of excessive oil consumption on these older models.

UNDER NO CIRCUMSTANCES WILL WE ACCEPT L&MR'S FOR CREDIT CONSIDERATION FOR INSTALLING THIS TYPE SEALS UNLESS WRITTEN APPROVAL WAS RECEIVED FROM THIS OFFICE PRIOR TO INSTALLATION.

Please be guided accordingly,

Yours very truly,

R.S. Wiegand  
Zone Service Manager

now you can

# STOP

## EXCESSIVE OIL CONSUMPTION

- Positively stop valve stem oil leaks
- Increase oil mileage as much as 5 times — up to 1500 miles per quart, or more!

**WITHOUT PULLING THE CYLINDER HEAD!**

# Skinner OIL SAVERS\*

(\*Patent Pending)

**Capsule Type Valve Stem Oil Seals Specially  
Designed For Chevrolet 265 and 283 V-8 Engines**

The new **SKINNER OIL SAVERS** are capsule-type valve stem oil seals specially designed to end excessive oil consumption problems at lowest possible cost. Easily installed *without pulling the cylinder head*, they provide a tight, dependable closing, with a hold-down spring keeping the capsulated seal firmly in place.

Over ten thousand sets have been installed on cars with oil consumption problems. The results have been highly satisfactory in every instance. Cars which had been getting very low oil mileage now get 1500 miles per quart — or more — with **SKINNER OIL SAVERS**.

An experienced mechanic can install a complete set on all intake and exhaust valves in approximately two hours. This means a truly low cost way to satisfy owners of oil-burning cars, or to prepare hard-worked trade-ins for resale. You maintain better customer relations — make more profits, too — by installing **OIL SAVERS** with major engine overhauls and valve grinds.

Free counter display with initial order for six sets.

One set contains all parts for one engine.

## USE THIS HANDY ORDER FORM TODAY

SHIPPED POST PAID—6 SETS PER CARTON\*

No. of Sets	Cost per Set
6	\$7.20
48	6.60
96	6.00
