Subject: Foot Operated Windshield Washer **Model and Year:** 1954 - 1955 Passenger Car

Source: Chevrolet Dealer Zone Letter

Zone: Wchita, Kansas **Date:** December 8, 1954

TO: ALL CHEVROLET DEALER S

The note and sketch reproduced below has been received from the Engineering Department, indicating a better installation of FOOT OPERATED WINDSHIELD WASHERS. This is for your information.

NOTE: A revised location for the foot pump on the toe board has been established. mount the pump at an angle so the interconnecting Bowden cable takes the shortest route.

Yours very truly,

PorterB. 2000
