

1970 Corvette: Service News: Heater and Air Conditioning

1190 April 8, 2015 [AC, Heating and Ventilation](#) 0 768

Subject: Heater and Air Conditioning

Model and Year: 1970 Corvette

Source: Chevrolet Service News

Page Number: 2

Date: Section 1A, March 1970, Volume 42, Number 3

The 1970 Corvette heater and air conditioning systems remain as outlined in the 1970 Chevrolet Service and Overhaul Manuals with one exception.

The compressor mountings shown in Figure 28, Page 1A-23 are correct but the right hand mounting should read "454" V-8 in place of "427" V-8.
