1984 - 1987 Corvette: Service Bulletin: Front Center Air Deflector Damage

Subject: Front Center Air Deflector Damage
Model and Year: 1984 - 1987 Corvette
Source: Chevrolet Dealer Service Bulletin
Bulletin Number: 87-263-10, Section 10
Date: Jan., 1988

TO: ALL CHEVROLET DEALERS

Comments that the front air deflector (dam) gets damaged by bumps, curbs and snow piles may be received. A service kit with two new braces has been released to address this situation on affected vehicles.

This condition can be addressed by installing the braces per the illustration and instructions provided in the service kit. The part numbers for the service kits are as follows:

Model Year	Service Kit, Part Number	Application
1984-85	10107825	All Vehicles
1986	10107824	All Vehicles
1987	10107824	For Z51 Option
1987	10107825	For Base (W/O Z51)
