

2016 - 2017 Corvette Convertible: Customer Satisfaction Program: 17245 Mechanical Trunk Release May Not Operate

General Motors is releasing Customer Satisfaction Program 17245 today. The total number of U.S. vehicles involved is approximately 11,386. Please see the attached bulletin for details.

Condition: Certain 2016 - 2017 model year Chevrolet Corvette Convertible vehicles may have a condition in which a “Trunk Ajar” message is displayed, or the mechanical trunk release may not operate to open the trunk lid.

Correction: Reprogram the liftgate control module
