

# 2017 - 2019 Corvette: Service Bulletin: Information for Corvette Aero Packages

## #16-NA-330: Information for Corvette Aero Packages - (Mar 5, 2018)

<b>Subject:</b>				Information for Corvette Aero Packages			
Brand:	Model:	Model Year:		VIN:		Engine:	Transmission:
		from	to	from	to		
Chevrolet	Corvette	2017	2019				
<i>Involved Region or Country</i>				North America and N.A. Export Regions			
<i>Additional Options (RPO)</i>				Equipped with Performance Package RPOs CFV, CFZ, Z07, ZLZ or ZTK			
<i>Condition</i>				This communication is to inform the pre-delivery technician which aero components are to be installed on the 2017 - 2019 Corvette during the pre-delivery inspection (PDI) process.			
<i>Cause</i>				This may be due to the various ground effect parts that make up the aero packages.			

### Correction

Please confirm the correct aero components are installed during the PDI process. Use the photos and tables below to confirm the correct

aero parts were shipped and installed on the vehicle prior to delivery.

**Important:** The tall end caps and clear bridge are for track use *ONLY*.  
*DO NOT* install during PDI.
