

1984 Corvette: Service News: Revised Horizontal and Vertical Uniframe Alignment Dimensions

Model Year: 1984

Subject: Revised body Paint Plate Information Location

Source: Chevrolet Service News

Number: 2, Volume 56, Page 9

Date: March/April 1984

Location of Point "F" is incorrectly show on Figure 2D-2, Section 2D of the 1984 Corvette Shop manual (ST-364-84). Point "F" has been moved to a drain hold located at the bottom of the outboard rail. This change will affect some of the dimensions called out on Figure 2D-2.

Refer to Fig. 8 for new Point "F" location and revised dimensions.
