

1955 Corvette: Service Bulletin: Oil Level Gauge Dipsticks

Subject: Oil Level Gauge Dipsticks

Model and Year: 1955 Powerglide Transmission

Source: Chevrolet Technical Service Bulletin

Bulletin No: DR-181

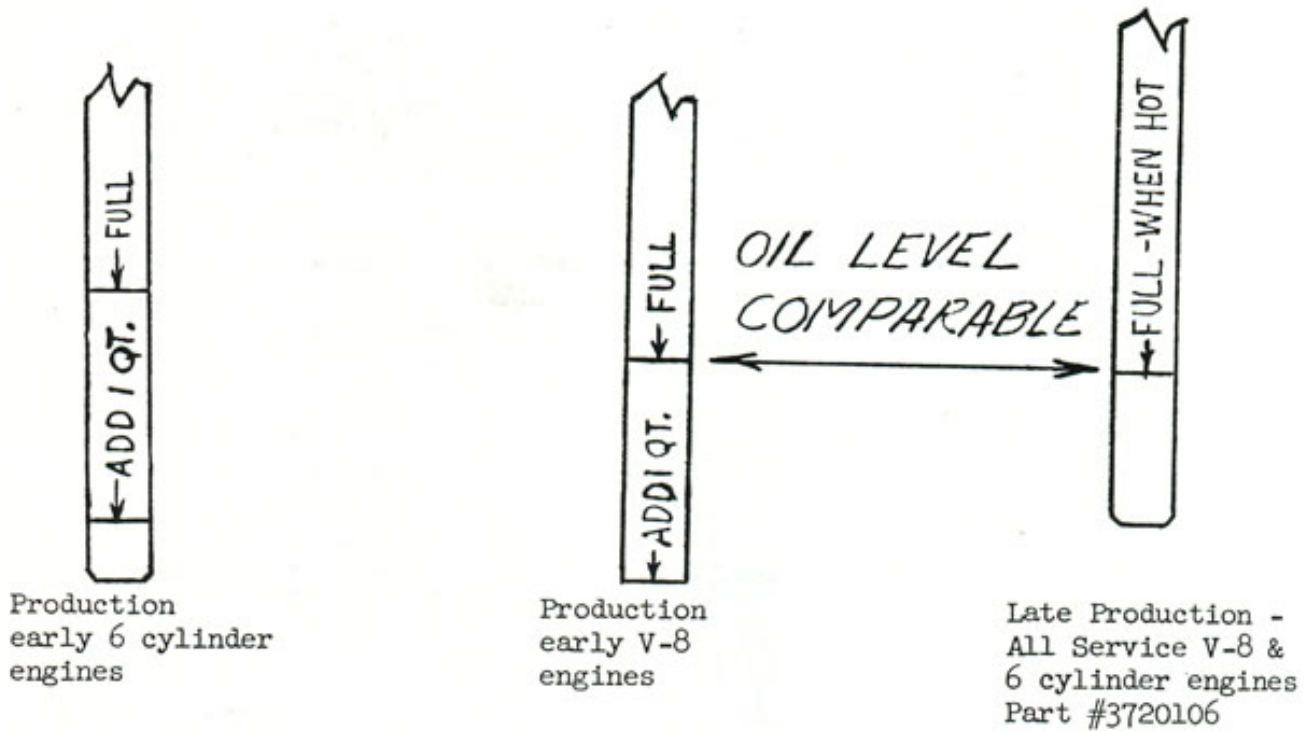

Section: VII

Date: November 3, 1954

TO: ALL CHEVROLET DEALERS

The following sketch shows the various Oil Level Gauge Dipsticks used with the 1955 Powerglide Transmission.

POWERGLIDE TRANSMISSION DIPSTICK MARKINGS

IMPORTANT - WHEN CHECKING OIL LEVEL

1. Engine should be idling.
2. Transmission control lever should be in the "N" position.
3. Transmission oil should be HOT.
4. Use the correct dipstick.
5. Check the level accurately.

Overfilling the transmission may cause lubricant loss at the Filler.
