Commemorating 25 years of Callaway Competition accomplishments

2020 marks Callaway Competition's 25th year of operation. Headquartered in Leingarten Germany, Callaway Competition has constructed some of the most successful GT3 race cars in history. They've competed in numerous forms of international GT racing, collecting countless wins and podium finishes. Currently, Callaway Competition is recognized as "the most successful race team" of the ADAC GT Masters series, campaigning a Callaway Corvette against European GT3 sports cars. To commemorate Callaway Competition's milestone, Callaway is preparing twenty-five specially-equipped "25th Anniversary Edition" Callaway Corvette SC757s.

A competition-oriented "Champion Package" is also offered as an option. It includes Callaway's TrakPak, a selection of performance components and chassis setup derived from Callaway's racetrack experience. In addition, several "Competition Options" (shown below) are available with or without the Champion Package.
