MODEL YEAR 2022

CHEVROLET CORVETTE STINGRAY

CHEVROLET CORVETTE STINGRAY

Z51 PERFORMANCE PACKAGE

THE PINNACLE OF PERFORMANCE

The architecture, structure, suspension, calibrations and software of Stingray are all ready to deliver a driving experience beyond your imagination. To reach the pinnacle, all European Corvette Stingray come standard with the Z51 Performance Package, which provides a group of performance enhancements, including:

- Z51 performance suspension
- Z51 performance Brembo® brakes
- Michelin® Pilot® Sport 4S, 245/35ZR19 front and 305/30ZR20 rear, high performance, run-flat, summer-only tires¹
- Electronic Limited Slip Differential (eLSD)
- Performance exhaust
- Performance rear axle ratio
- Heavy-duty cooling system
- Z51 rear spoiler in body color
- Z51 front splitter

¹ Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, please contact your Chevrolet Partner. Low-profile tires wear faster, and wheel and tire damage may occur on rough or damaged roads from surfaces or kerbs, debris or obstacles. This damage is not covered by the GM New Vehicle Limited Warranty.

PRICE TABLE

	PRICE ¹	1ST YEAR VAT	VAT 20%	TRANSPORT (EXCL. VAT)	NET CONSUMER PRICE (EXCL. VAT)
Corvette Stingray Coupe 2LT	74'200 £	2'300 £	11'983 £	700 £	59'217 £
Corvette Stingray Coupe 3LT	77'150 £	2'300 £	12'475 £	700 £	61'675 £

Chevrolet Corvette Stingray 6.2L V8 - Fuel consumption, combined (mpg): 23.3. CO₂ emissions, combined (g/km): 277. Energy efficiency category: M.

The WLTP figures shown have been measured as per the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) according to Regulation (EC) No 715/2007 in the version valid for type-approval of the vehicle model concerned.

ENGINE

CORVETTE STINGRAY

Engine	6,2 L V8 direct-injection petrol engine with variable valve timing and Active Fuel Management (cylinder deactivation technology)
Transmission	8-speed, dual-clutch transmission
Fuel type	Petrol
Displacement	6162 cc
Bore	103.25 mm
Stroke	92.0 mm
Compression ratio	11.5 : 1
Power output	354 kW/482 hp @ 6450 rpm
Torque	613 Nm @ 4500 rpm
Top speed	184 mph
Acceleration, 0-62 mph	3.5 sec
Valvetrain	Overhead valve, two valves per cylinder; dual-equal variable valve timing
Oiling system	Dry sump-type, includes oil-spray piston cooling

FUEL CONSUMPTION & CO₂ EMISSIONS(WLTP)²

CORVETTE STINGRAY

Emission class	Euro 6d
Energy efficiency category	M
Fuel consumption, combined	23.3 mpg
Fuel consumption, low	11.6 mpg
Fuel consumption, mid	23.6 mpg
Fuel consumption, high	29.4 mpg
Fuel consumption, extra-high	28.8 mpg
CO ₂ emissions, combined	277 g/km
CO ₂ emissions, low	555 g/km
CO ₂ emissions, mid	274 g/km
CO ₂ emissions, high	220 g/km
CO ₂ emissions, extra-high	224 g/km

¹ Total on-the-road recommended retail prices include number plates and delivery to retailer, 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. All prices are suggested retail prices for model year 2022, including 20% VAT.

² The WLTP figures shown have been measured as per the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) according to Regulation (EC) No 715/2007 in the version valid for type-approval of the vehicle model concerned.

Figures shown are for comparability purposes; only compare fuel consumption and CO₂-emissions figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather conditions, driving styles and vehicle load. The figures do not relate to a specific vehicle and are not part of an offer.

READING THE RENEWED TIRE LABEL

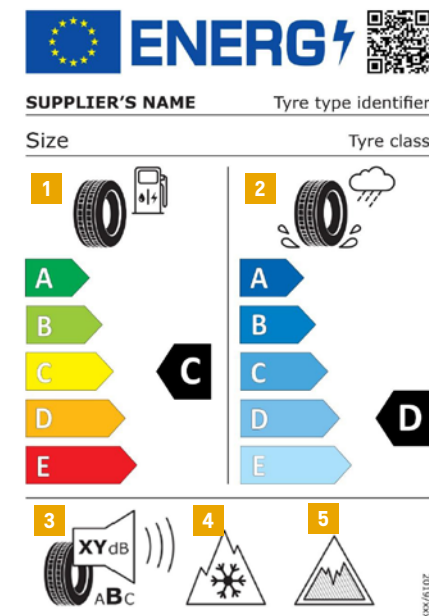

Link to the relevant Commission webpage dedicated to Regulation (EU) 2020/740:
<https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=CELEX%3A32020R0740>

The renewed tire label provides information about the following performance of a tire:

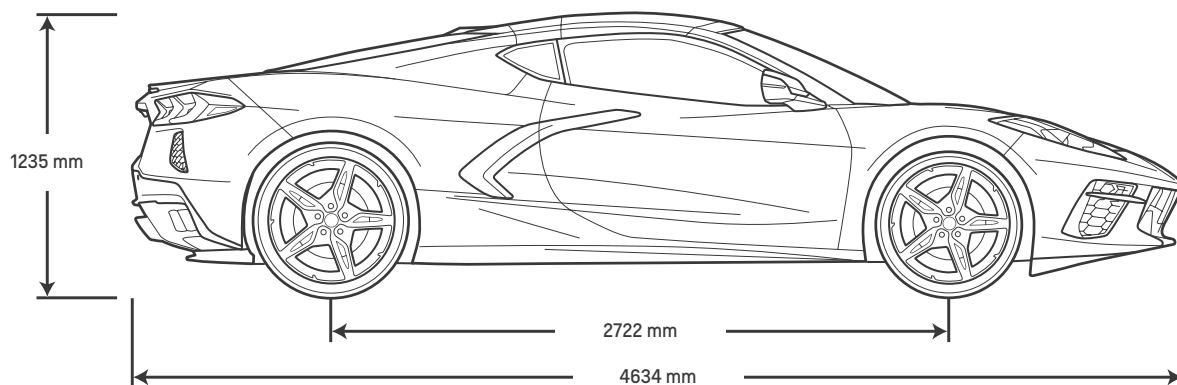

- 1 «Fuel efficiency» shows in 5 classes (A to E) how the tire scores on fuel consumption as a result of the tyre's rolling resistance on the road surface.
- 2 «Grip on wet road surface» indicates in 5 classes (A to E) how well the tire performs on a wet road surface.
- 3 «Noise» gives information in 3 classes (A to C) and in decibels (dB) about the amount of rolling noise of the tire.
- 4 The «snow symbol» shows whether a tire is suitable for use in severe snow conditions.
- 5 The «ice symbol» indicates whether a tire is suitable for use in very severe snow and ice conditions.

The tires under your car affect fuel consumption. The rolling resistance of the tires is responsible for approximately 20% of the car's fuel consumption. If you choose an economical tire with a good score on the tire label component fuel efficiency, you can save money every year. The savings are even greater by also keeping the tires at the correct pressure. To do this, check the tire pressure at least every 2 months and add air if necessary. This also improves grip on (wet) road surfaces, road holding, braking distance and driving comfort and reduces tire rolling noise.

In addition to rolling resistance and tire pressure, the fuel consumption of your car is determined by vehicle weight, engine type, speed and speed changes, air resistance, road slope, mechanical resistance in the drivetrain, use of air conditioning and traffic conditions. However, the most important determining factor for fuel consumption is your driving behavior. With a moderate, energy-efficient driving style, fuel consumption can be significantly reduced. For an optimal energy-efficient driving style, but above all for safety, it is important to always maintain sufficient distance from the vehicle in front, so that you don't have to brake as much as possible and, if necessary, stop in time.

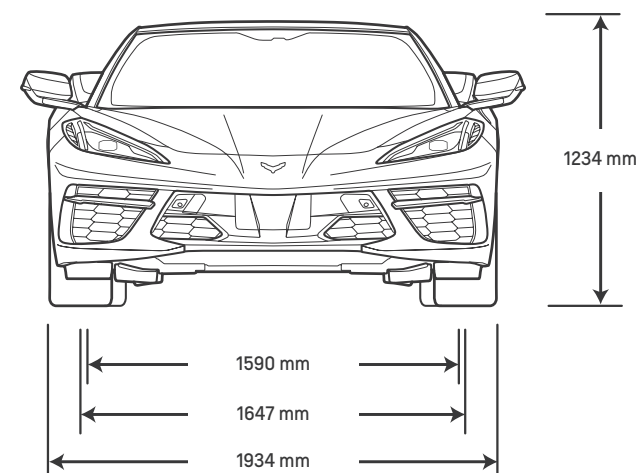

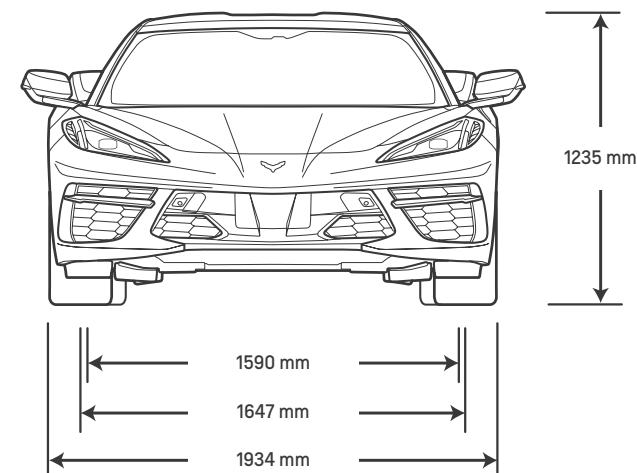

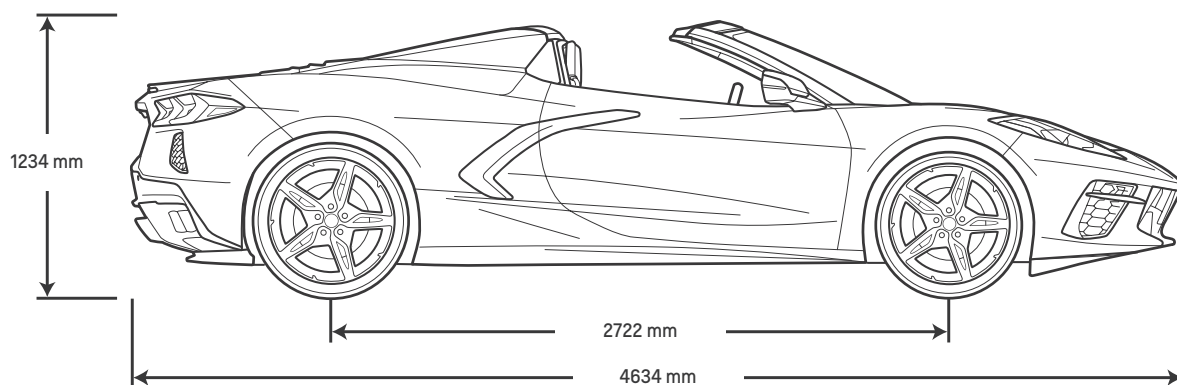

Mass in running order	1730–1740 kg	1767–1775 kg
Length	4634 mm	4634 mm
Width	1934 mm	1934 mm
Height	1235 mm	1234 mm
Wheelbase	2722 mm	2722 mm
Track front/rear	1647 / 1590 mm	1647 / 1590 mm

11.6 m

CHEVROLET SERVICE

Whether you are at home or on the road, our Chevrolet Partner is there to offer you truly personal assistance. Count on us to arrange service appointments, answer questions about your new Chevrolet and ensure you are always satisfied with your ownership experience. To find your nearest Chevrolet Partner, visit www.chevrolet europe.com.

WARRANTY

Every Chevrolet is built to the highest standards and is manufactured with the utmost care. As a Chevrolet owner, you can expect nothing less than premium service and protection. Should you experience defects in materials or through deficient workmanship your entire vehicle is backed by our no excess, Bumper-to-Bumper, Limited Chevrolet Warranty for three years or 60.000 miles - whichever comes first, plus a 6-year anti-perforation corrosion warranty. Should the vehicle change owner, the warranty transfers automatically during the warranty period.

CHEVROLET ROADSIDE ASSISTANCE

In the event of an emergency, help is only a phone call away. Contact Chevrolet Roadside Assistance, and we'll come to you as quickly as possible – 24 hours a day, 365 days a year. If we can't return you to the road straight away, we'll take you to the nearest Chevrolet Partner. Chevrolet Roadside Assistance is yours free of charge for a period of 36 months from the date of first registration. Ask your local Chevrolet Partner for details.

PLEASE NOTE:

The information contained in this brochure was accurate at the time of going to press (September 2021). Images show left-hand-drive version. Availability, technical features and equipment provided on our vehicles can vary from one market to another and may change without prior notice. The vehicles shown in this brochure are for illustration purposes only. European specifications may vary. Some illustrations feature equipment that is not included in every model. The colors printed in the brochure only approximate actual colors. Specifications, dimensions, measurements, ratings and other numbers in this catalogue and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment.

For precise information on the equipment provided on our vehicles, please contact your local Chevrolet Partner.
